CHILI the SWINGING STYLE-SETTER

A SAGACIOUS SMATTERING OF SOMEWHAT SENSELESS SMALL-TALK!

ITEM! Wanna know why we're always bragging that Marvel's riotous readers are a cut above average? Well, try this for a clincher. A short time ago, Sheldon Feldner, director of Univ. of California Vera Cruz' University Theatre (and an R.F.O. and K.O.F. to boot), probably having heard that STAN THE MAN is a dyed-in-the-wool Shakespeare buff, contacted the Bullpen to see if we'd help with UCVC's University Theatre Company's production of Julius Caesar. To make a long story short, Fearless Feldner recruited JACK (KING) KIRBY to do the costume designing for the show, while the rest of us contributed our moral support and not-inconsiderable kibitzing talents. Well, the show was a smash when presented on the Coast—with closed-circuit TV yet! And we're gonna frame all the great newspaper clippings that praised Jack's artistry and were good enough to mention merry Marvel in connection with so erudite an endeavor! — Next month, the Palladium!

ITEM! Speaking of JOLLY JACK, many long-time fans have been writing to say that THE FANTASTIC FOUR is getting better each issue—with the stories reading more like the memorable masterworks of the FF's early years. This kinda breaks us up, 'cause it's beginning to seem as though we have to take a few steps back in order to surge forward! (The philosophers among you—and what Marvelite isn't?—can mull that one over for a while).

ITEM! Stop worrying! Dry your little tears! Let thy faith be renewed! Despite what you saw in the last ish of SHIELD, we promise you that Nick Fury lives! But don't take our words for it—latch onto AVENGERS #72 (on sale early in Nov.) and see for yourself—in living color!

ITEM! In answer to the countless thousands who wanna know where we've hidden JAUNTY JIM STERANKO (well, we did get a postcard or two)—you may have trouble believing this, but it's on the level. Last time we saw him, Slim Jim turned down just about every strip we asked him to draw, saying there was only one he wanted to sink his teeth into. We tremblingly asked which it was, and he answered—(hold onto your hairdo, hero)—he's itching to draw a ROMANCE yarn! Try as we may, we couldn't talk him out of it. So, we gave him a hearts-and-flowers assignment for one of our love books, and he left on cloud nine. That was weeks ago and we haven't seen him since. All we can think of is that the sonofagun is out doing some personal research! Well, we'll keep you posted!

ITEMS! (Some fast one-liners while space permits.) **PEERLESS PAUL REINMAN** will be pencilling for us once again in our two new spooky mags! . . . Talk about versatility! **JIM (MADMAN) MOONEY** is not only a top penciller and inker, but a sculptor, painter, guitarist, and authority on antiques, as well! . . . We're still trying to decide whether **MERRY MARIE SEVERIN** is our funniest dramatic artist, or our most dramatic humorous cartoonist! (But either way, we love the gal!) . . . Say "Hi" to **AMIALE ALLYN BRODSKY**, our youthful new editorial staffer. He's the only guy we know who talks as fast as **RASCALLY ROY**. Good thing **SMILEY** isn't a slow listener! . . . **WILD BILL EVERETT** is now writing scripts for us—and they're even zingier than the great **SUB-MARINERS** he cooked up about a zillion years ago! . . . Have you ever seen a strip that didn't look great when inked by the way-out wizardry of **TERRIFIC TOMMY PALMER**? (We haven't!)

STAN'S SOAPBOX

It's almost unbelievable! We thought it would shake you up when we announced our intention of dropping continued stories—but we never expected to be so completely swamped by an avalanche of irate letters, cards, and telegrams! Even those of you who once thought we were overdoing our continued yarns have threatened to bring the wrath of Marveldom Assembled upon our pointy heads if we dare to drop our never-ending sub-plots. And, so, it's "Here's where Stan tries to get off the hook" time again! We promise NOT to drop our swingin' sub-plots—we never intended to, anyway. All we want to do is see if we can end each story within a single issue. That doesn't mean we may not bring back the villain next ish—or let a running plot-thread continue. But, we want to make it less of a catastrophe if a Believer happens to miss a yarn. Also, we'd like to feel that a new reader can join us 'most anywhere without needing a road map. It's still too early to tell if we're gonna wind up with egg on our faces again, but we promise you this—if our earth-shattering new policy hasn't really grabbed you by the time you read these portentous words—don't worry! We'll switch back to our old, cataclysmically confusin', continued-story policy before you can say "No wonder they dumped ol' Stan!"

Excelsior!

Smiley

. . . The block-bustin' **BUSCEMA** brothers (**BIG JOHN** and **OUR PAL SAL**) better look to their laurels! **JAZZY JOHNNY ROMITA** is teaching **JOHN JR.** how to draw superhero spectaculars, and we hear that the lad's a whiz already! So, as soon as we have a pair of **RING-A-DINGS** running wild around here, let's look out for the fireworks! . . . The votes have been counted! A united Marveldom wants **STAN AND JACK** to come up with an **INHUMANS** mag for 1970, or they'll sic Lockjaw on 'em!

DOLLY DIMLY *in* "MORE MONEY, HONEY?"

I'LL MAKE YOU A MASTER OF

KARATE

WALLACE W. REUMANN

Author of "SUPER KARATE" and world-famous authority on KARATE, is the ONLY Instructor in the Northeast U.S. recognized by the International Karate Federation in Tokyo.

I spent 3 years in Japan learning the little-known Oriental art of KARATE and was awarded the 4th Degree Black Belt—symbol of the highest possible proficiency. Now I am ready to show you every secret I learned—and I guarantee I'll make YOU into a KARATE specialist within hours—no every cent you paid for my information will be refunded!

You don't have to attend either of my 2 schools where I train men like you and turn them into KARATE experts. No, I can show you how to practice KARATE in the privacy of your own home with only a few minutes of practice a day I have jam-packed all I know about KARATE into "SUPER KARATE"—profusely illustrated and clearly explained.

In this book I take you step by step through the fundamentals of KARATE so that you understand clearly and immediately how these amazing principles operate to make you master of ANYONE you may meet—no matter how big he is, or how much he weighs!

YOUR BODY IS YOUR PROTECTION!

The result of hundreds of years of development in Japan, KARATE is the Oriental system of self-

Karate is the secret, Oriental art of self-defense that turns your hands, arms, legs into paralyzing weapons... without any bodily contact.

In just 2 hours after you receive "SUPER KARATE" you will be on your way to being an invincible Karate Master, at home, this Fast, EASY way or it costs you nothing.

defense in which you turn your hands, arms and legs into incredibly powerful weapons of attack. When you know how to use KARATE you disarm and disable your opponent in SECONDS.

When you apply KARATE techniques, you can cut an aggressor down with a blow of the side of your hand. You can toss an attacker from the rear over your shoulder and slam him into the ground. (In fact, a recent photograph in Pictorial Magazine shows a 115-lb. girl slaming her 240-lb. instructor into the practice mat!)

With KARATE you can disarm an opponent rushing you with his fists, a broken bottle, a revolver, or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only your bare hands, your arms and your legs.

MASTER EVERY SITUATION

With KARATE you can disarm and disable two, three and even four attackers. You can apply a simple pressure of your thumb and finger against any one of a dozen vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint.

In fact, a knowledge of KARATE will turn you into a NEW MAN even if you never actually have to use it! For you will become self-assured and

100's of illustrations

completely confident of yourself and your ability to handle yourself. You will walk with a determined and confident step... you'll look any man in the eye with the knowledge that NOTHING can frighten you—that you can deal with any man, any weapon, any situation—and that you can do all this with NO bodily contact!

Costs ONLY 99¢

You owe it to your own peace of mind—to your loved ones—to be able to defend yourself in those days when attack may come at any time from hoodlums, criminals and "wise guys." So mail coupon NOW for my complete instruction on KARATE—for the amazingly low price of only 99¢ plus 26¢ for postage and handling. If you and your friends don't say KARATE has made a new man out of you, every cent will be refunded!

Amazingly life-like Giant KARATE PRACTICE DUMMY shows clearly those vulnerable areas which should be attacked. Instantly you know WHERE to attack, while the easy-to-follow instructions included free with your KARATE MODEL show you how to attack. You also learn the body's major vulnerable regions, the defense or on-guard position to take, and your body's personal weapons which you can use to deadly effect, such as edge of hand, knee, elbow, etc. Big numbers on DUMMY show you exact location of pressure points and weak spots which you can practice attacking. Do you have art talent worth developing? Take our free test and see

If you have ever wondered whether you had art talent, here is your chance to find out. The founders of Famous Artists School have put together what many artists and educators consider to be the most revealing test of art ability ever devised. It is offered to you free.

Designed for people uncertain of their ability

The people who take this Art Talent Test are of all ages and occupations. Most of them have little or no previous art training. By professional standards, their drawings may be awkward and amateurish. But the ones who possess the gift of art talent reveal it in many ways. Through simple little exercises, they show the inborn sense of design, the feeling for composition, the ability to observe, and the lively imagination which are such important ingredients of art talent.

The reliability of this method of screening, as well as the effectiveness of the training, has been proven again and again by the impressive record of success of our students and graduates.

They passed the test and went on to become successful artists

When Anthony Fotia took the Art Talent Test, he was a mail clerk, "stuck" in a low-pay routine job. Today, he's an artist for a printing firm, doing exciting creative work. Kathleen Gironda went from a salesgirl in a department store to a fashion illustrator in the same store. Virginia Bartter, a farmer's wife and mother of three, now sells just about everything she paints. These are just a few of the literally hundreds of "success stories" our students report to us.

So if you love to sketch or dabble in paints

—and have often wondered if you "have what it takes" to become a well-paid commercial artist or sparetime professional painter—why not seize this opportunity to find out? All you need is a pencil and a half-hour of your time. With your special interest, it will be one of the most intriguing and enjoyable half-hours you ever spent.

What the Talent Test covers

First, you will be shown ten pairs of simple designs and asked to pick the one in each pair that has "a feeling of rightness" about it. Then you will see twenty pairs of pictures, and check which composition in each pair is more pleasing. You'll be asked to do original sketches to demonstrate your imagination and powers of observation. And in similar ways, your feeling for mood, form, movement, and so on will be tested.

When you complete the test and mail it back, it will be graded free by a member of the School's staff. If you receive a passing grade (and we must warn you that many don't), or can offer sufficient evidence of art talent, you will then be eligible to enroll. You may choose whichever of our courses is best suited to your goals.

Courses offer personal instruction

These courses were especially designed for talented people who can't leave their families or jobs for art training away from home. The 12 famous artists who started the School over 19 years ago contributed all their lifetime secrets of art technique to what they believe to be the finest art lessons ever created. They took time out from their own busy careers and made thousands of special drawings to demonstrate each point. Then they devised a method of constructive criticism that is as personal as tutoring. Your instructor, who is himself required to be a practicing professional artist, spends up to several hours on just one of your assignments. He actually draws or paints his suggestions for improvement, and then "talks" to you by letter, dictating a long, friendly message of specific advice and encouragement.

You will receive an interesting brochure about our School and its revolutionary methods along with your free Art Talent Test. If you have ever dreamed of success in art, and wondered if it were possible, why not mail the coupon at left for both the Talent Test and the brochure right now?
